PEERLINK NATIONAL TECHNICAL ASSISTANCE CENTER'S REGIONAL SUMMIT PART 1

ROOM: LEWIS & CLARK 1

This regional summit will focus on employment, organizational development, and financial wellness. This first part of the summit will feature a networking event and ice breaker, along with breakout sessions presented by experts in the field who have worked closely with Peerlink National Technical Assistance Center (Peerlink) on various projects. All are welcome, especially individuals who work or live in Peerlink's assigned States and Territories:

Alaska, American Samoa, Arizona, California, Commonwealth of Northern Mariana Islands, Federated States of Micronesia, Guam, Hawaii, Idaho, Marshall Islands, Nevada, Oregon, Palau, and Washington.

COMMUNITY BUILDING THROUGH POLICY & ADVOCACY PART 1

ROOM: LEWIS & CLARK 2

Join the National Coalition for Mental Health Recovery (NCMHR) and the Oregon Consumer Survivor Coalition (OCSC) for a review of legislative priorities and practical tips for effective state and national advocacy. This session will explore the Nothing About Us Without Us philosophy as it relates to preserving human rights and dignity in both national and local policy implementation.

Outline

- Review human rights and the history of psychiatric oppression.
- Discuss the roots of Nothing About Us Without Us.
- Review the national legislative priorities of the National Coalition for Mental Health Recovery.
- Discuss how Oregon advocates utilized NCMHR's priorities to make an impact locally.
- Learn practical tips and tools for contacting and talking with your legislators.

PROFESSIONAL ETHICS PART 1 WITH DEBRA BUFFALOBOY

ROOM: LEWIS & CLARK 3

A 6hr training on the MHACBO Peer Professional Code of Conduct. This workshop meets the Ethics hours required for Peer Certification or Re-certification. We will utilize an interactive model of learning as well as group work and discussion to explore the relevant aspects of this topic. **A MHACBO Certificate of Completion will be available only to those who successfully complete all three 2hr sessions.**

The following events are scheduled for Sunday, April 19, 2018 from 6:00 PM—8:00 PM

ILLNESS BE GONE! THE NON-PATHOLOGIZING TOOLKIT WITH JOHN HEROLD

ROOM: LEWIS & CLARK 1

Out of ordinary states of mind are not universally viewed as “mental illness” across all cultures. Some view them as an asset, as something here to benefit all of us. Instead of viewing yourself as “mentally ill,” consider viewing yourself as gifted and important! We will explore concepts and frameworks for understanding ourselves and our experiences that do not imply sickness, using some of my favorite language and ideas from the Hearing Voices Movement and Process Work.
